

WAIZ KURUNI AHMED ZISAN

Electrical Diploma Engineer (Automation & Maintenance)

+880 1823805134 wkazisan@gmail.com wkazisan.pro.bd
wkazisan Near DUET 2nd Campus, Joydebpur, Gazipur

Eager to begin a career as a Maintenance or Automation Engineer in a progressive industrial sector (such as Garments, Textile, FMCG, Power Plant, or Factory Automation). Seeking to leverage practical expertise in PLC (Siemens S7-1200), VFD, HMI, RLC & MCC Control Panel Design and Industrial Troubleshooting to minimize factory downtime and ensure efficient operations.

TECHNICAL SKILLS

- Industrial Automation & PLC :** Siemens S7-1200 PLC, Hardware Configuration, Ladder Logic Programming, HMI Design, Analog I/O Processing, Advanced Instrumentation & Calibration :
- Motion Control & Drives :** Multi-Brand VFD, Servo & Stepper Motor Control, Encoder, P/PI/PID Control
- Electrical Control & MCC :** RLC & MCC Logic Design, DOL/Star-Delta/F-R Starters, Relays & Timers, Circuit Breakers etc.
- Industrial Communication :** PROFINET , Modbus (RTU, TCP/IP), RS-485, PLC-HMI-VFD Integration, Device Diagnostics
- Project Engineering & Execution :** Project Design & Management, Installation, Testing & Commissioning, Troubleshooting, Engineering Documentation
- Software & Documentation :** TIA Portal, Automation Studio, Factory IO, Delta VFDSOFT,, MS Excel, MS Office, Google Workspace, Engineering Documentation, Canva, Git & Github, HTML & CSS
- Soft Skills :** Team Leadership, Critical Thinking, Technical Reporting, Problem-Solving, Client Handling

TECHNICAL EXPERIENCE

-  **Automation Pro Trainee , Ulterior Engineering Ltd, Gazipur** July, 2026
- **Core Modules:** PLC, VFD & HMI (Multi-Brand), MCC/RLC, and Servo/Stepper Motor Control.
 - **Industrial Communication:** PROFINET and Modbus Communication.
-  **Electrical Engineering Intern - Dynamic Engineering Solutions** Sep- Nov 2025
- Assisted in electrical installation, testing, and basic commissioning of industrial equipment
 - Performed basic troubleshooting and maintenance tasks under supervision

ADDITIONAL EXPERIENCE

-  **Team Lead (Sales & Media) , Manarah Publication, Mymensingh** Oct - Dec 2024
- Led a small team and coordinated daily activities
 - Developed communication and client handling skills
 - Improved problem-solving and decision-making ability
-  **Member, Convening Committee (Bikkhon Wing) ,Mymensingh Sahitya Sangsad** 2023–2024
- Worked in team coordination and event management
 - Assisted in planning and execution of programs

PROJECTS

	Particle Mill Process Automation, July 2026 Associated With: Ulterior Engineering Ltd Core Skills: Siemens S7-1200 PLC, TIA Portal, Digital/Analog I/O Mapping, VFD Monitoring.	Prove
	Industrial Automation System for Oil Mill, July 2026 Associated With: Ulterior Engineering Ltd Core Skills: PLC Ladder Logic, Siemens SIMATIC HMI Design.	Prove
	Automatic Conveyor Belt Control System, June 2026 Associated With: Ulterior Engineering Ltd Core Skills: Siemens PLC, Ladder Logic, TIA Portal, HMI Design.	<u>Prove</u>
	Automatic Three-Way Traffic Control, July 2026 Associated With: Ulterior Engineering Ltd Core Skills: Siemens TIA Portal, Motor Control.	Prove
	Industrial Washing Machine Automation, June 2026 Associated With: Ulterior Engineering Ltd Core Skills: Siemens TIA Portal, HMI Design.	<u>Prove</u>
	Star-Delta Forward & Reverse Motor Control Panel (With Sensor), Nov-Dec 2025 Associated With: Mymensingh Polytechnic Institute Core Skills: Star-Delta Starter Wiring, Interlocking, Automation Pro	Prove
	SOME SMALL PROJECT: Automatic Door, Dual Conveyor, Car Parking, Coffee Mixer & Analog, Automatic Boiler, Product Sorting	SEE ALL PROJECT IN DRIVE LINK

EDUCATION

	Mymensingh Polytechnic Institute, Mymensingh Diploma in Electrical Technology Result: 3.08	DEC, 2025
	Mymensingh Technical Training Center, Mymensingh SSC Vocational in General Electronics GPA: 5	2019 - 2021

LANGUAGE

-
- ENGLISH (CEFR B2)

BANGLA (Native)
